ABOUT

*Omnibrand is a company with ideas.
We create custom-made solutions for every need.*

HOME FASHION FACTS ETHICS ABOUT

AN EYE ON THE FUTURE

We understand that our business has an environmental and social impact. The foundation of Omnibrand is our staff, values and approach to sustainability. We believe in our company principles of trust, reliability and transparency. Our values form the basis of our internal culture and successful collaboration with business partners. We are committed to our staff, customers and suppliers. That is why trust in Omnibrand's Founder Patrick Andriat has been selected by Ethisphere magazine among the 100 most influential leaders in business ethics in 2014.
